Venezia 42 - Serendipity

Fontaine Pajot is world renowned for building sleek and purposeful catamarans. Serendipity continues the tradition with stunning lines and exhilarating performance, coupled with comfortable accommodation for eight guests in four double cabins with two heads and showers. There are two single berths forward which would be great for kids or single adults.

Her large transoms make diving and snorkeling a pleasure, and with nearly 1000 square feet of deck, she has plenty of room for sunbathing or reading in the shade of the bimini.

The boat has been set up for short-handed sailing, with control lines leading back to the cockpit. Performance is excellent on all points of sail due to an efficient underbody and sail plan.

Come sample her wares, and we guarantee you'll be impressed!
